To Whom It May Concern,

This reference letter is provided at the request of **MOHIT** who has participated in our **CantiLever** internship program under my supervision.

Throughout their internship, **MOHIT** had the opportunity to contribute to several projects in our company. They were assigned to various tasks that showcase their skills in organization, decision-making, and problem-solving. **MOHIT** is proficient in all of the mentioned skills and also demonstrated a superior literacy of using sophisticated technologies.

I was impressed with the outstanding work **MOHIT** has done during the period from **01-07-2025** to **01-09-2025**.

I am sure that **MOHIT** will become a valuable asset to any organization they join. I wish them all the best in their future endeavors.
